

# Showdown

## Thin Lizzy

Johnny Cool was the king  
He was the leader of the boot boys  
He'd never cause no trouble  
In a rumble make some noise He heard about some chick  
And they way she likes to rock  
He said, "Come here honey  
Let me see you lift up your frock" Gonna be a little showdown  
Showdown there  
Gonna be a little showdown  
Showdown there Miss Lucy was a chick  
And he knew she like to ball  
He said, "Come on Lucy  
It doesn't matter to me at all"  
But Miss Lucy got a fella  
With a flick knife in his hand  
Johnny Cool pulls a shotgun  
The man is in command Gonna be a little showdown  
Showdown there  
Gonna be a little showdown  
Showdown there Gonna be a little showdown  
Showdown there  
Gonna be a little showdown  
Showdown there King Cool  
King Kong  
King King  
With all the kings  
King of hearts he's a lover  
And he give her everything  
King of spades, he's a brother  
Doin' his own thing  
King of clubs makes a dollar  
King of diamonds is a wedding ring Gonna be a little showdown  
Showdown there  
Gonna be a little showdown  
Showdown there Gonna be a little showdown  
Showdown there  
Showdown  
Showdown there Showdown  
Showdown there
