

# Always

Gavin James

What am I supposed to do without you?  
Is it too late to pick the pieces up?  
Too soon to let them go?  
Do you feel damaged just like I do?  
Your face, it makes my body ache  
It won't leave me alone And this feels like drowning  
Trouble sleeping  
Restless dreaming You're in my head  
Always, always  
I just got scared  
Always, always  
I'd rather choke on my bad decisions  
Then just carry them to my grave  
You're in my head  
Always, always, always  
Cracks won't fix and the scars won't fade away  
Guess I should get used to this  
The left side of my bed is an empty space  
I remember we were strangers  
So tell me what's the difference  
Between then and now And why does this feel like drowning?  
Trouble sleeping  
Restless dreaming You're in my head  
Always, always  
I just got scared  
Always, always  
I'd rather choke on my bad decisions  
Then just carry them to my grave  
You're in my head  
Always, always, always  
Always, always, always  
You're in my head  
Always, always  
I just got scared  
Always, always  
I know there's nothing left to cling to  
But I'm still calling out your name  
You're in my head  
Always, always, always Always, always, always
