

A Love of Your Own

Average White Band

The sooner you give
The sooner you get to have
A love of your own
The longer it takes
The better you come to know
A love of your own, oh Now don't you be afraid, to give your heart
You never know till you try it, yeah
Don't deny it to yourself
Don't you be afraid, just walk right on in
The door is standing open
You know I'm always hoping
The sooner you give
The sooner you get to have
A love of your own
As far as you go
You're never too far behind
A love of your own, oh Now don't you be afraid
To shoot the moon
You'll never know till you try it
Don't deny it to yourself
Don't you be afraid
To change your tune, oh
The offers always open
You know I'm always hoping
You know I'm always hoping
For, a love of my own
To shelter me from the cold
A love of my own
A love of my own
You never too far behind
A love of your own You've gotta keep looking till you find
A love of your own, a love of your own
You've gotta keep looking till you find
A love of your own
