Wrapped Around Your Finger

The Police

You consider me a young apprentice Caught between the Scylla and Charybdis Hypnotized by you if I should linger Staring at the ring around your fingerI have only come here seeking knowledge Things they would not teach me of in college I can see that destiny you sold Turned into a shining band of goldI'll be wrapped around your finger I'll be wrapped around your finger Mephistopheles is not your name I know what you're up to just the same I will listen hard to your tuition You will see it come to it's fruitionI'll be wrapped around your finger I'll be wrapped around your fingerDevil and the deep blue sea behind me Vanish in the air you'll never find me I will turn your flesh to alabaster When you find your servant is your master Oh, you'll be wrapped around my finger You'll be wrapped around my finger You'll be wrapped around my finger Oh, oh
