## **Shining Star**

## **Bars and Melody**

You're my shining star I searched from near to far And all day long you were, right here my babyYo the girls from every nation, your loves not an award it's a motivation, we're miles apart, it breaks my heart, this love's a journey about the star, in the night you shine so bright darknees falls you give light I feel you close but you're so far, but baby girl you're like a star when we speak, there's tears in my eyes, when I'm lonely, I look to the sky's, like three men who were so wise, but my love I see your eyes They're miles away, yeah, so far twinkle, twinkle my little star I feel you near, but you're so far Baby girl you're shining star You're my shining star I searched from near to far And all day long you were right here my baby You're my superstar and girl you own my heart and when we're worlds apart

I'll be right here my babyoh oh oh way ohYou're my shining star"Ti amo" my italian bambino I fell in love with ya when I firts see ya

Romain girls "Te iubesc"
you know princess you are the best
"Kocham cie" my polish queen
I really like girls who have never been seen,
"Eu te amo" I stay on my kness
for all my princesses if you're portuguese
You're killin' me south with all your words,
I'm going crazy
my vision's blurred,
to all my frenchies "J te'aime",

I love your voice

I wanna hear it again
I know you are in a land so far baby girl,
you're like a star
German girls "Ich liebe dish",
to be with you is my only wish
You're my shining star
I searched from near to far
and all day long you were
right here my baby
You're my superstar
and girl you own my heart
and when we're worlds apart

I'll be right thereoh oh oh way ohyou're my shining starThere's no place in the world too far, I'll always hols you here in my heart,

you're my light, girl,
you're my shining starYou're my shining star
I searched from near to far
and all day long you were
right here my baby
(OHH)

You're my superstar and girl you own my heart and when we're worlds apart

I'll be right here my babyoh oh oh way ohyou're my shining starshine a light, it'll be okay ohYou're my shining starshine a light, it'll be okay babyYou're my shining star Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
