

Wasted Love

LP

I didn't want to love
I was happy on my own
Wish I never had a taste of your sweet song
I was rolling like a stone
Taking any road
There was something in the way you stop me cold
All the pretty words you said slipped through
my fingers just like sand
Ever since that sorry day you took my hand
Wasted love
Wasted love
Wasted all my time and all my love on you
When times were rough
You used me up
Wasted love on you
Did you ever really see?
Was it ever really me?
Why'd you keep me in a cage, you should've set me free
'Cause every single time you lie the
light comes searing through my pride
And if you had a heart now I know it wasn't mine
Wasted love
Wasted love
Wasted all my time and all my love on you
When times were rough
You used me up
Wasted love all my love on you
All along I knew something was not right
But I was hoping I could change your mind
Oh All along no matter how I tried and tried
You kept taking, taking, taking every breath I had inside
Oh
Wasted love
Wasted love
Wasted all my time and all my love on you
When times were rough
You used me up
Wasted love
Wasted love
Wasted all my time and all my love on you
When times were rough
You used me up
Wasted all my love on you
Wasted all my love on you
Wasted all my love on you
