

# Gold (Solo Version)

Chet Faker

You gotta know, I'm feeling love  
Made of gold, I never loved a  
Another one, another you  
It's gotta be love I said it You gotta know, I'm feeling love  
You gotta know, I'm feeling love You gotta know, I'm feeling love  
Made of gold, I never loved a  
Another one, another you  
It's gotta be love I said it I might as well be in a garden  
I said, ah  
A smell in the air is a dripping rose (you could be the one for me)  
Another soul to meet my void then  
Of anything bare that's made of gold  
A physical kiss is nothing without it  
& you close your eyes to see what it's done  
The body that lies is built up on looking  
'Cause all that remains before it's begun You gotta know, I'm feeling love  
Made of gold, I never loved a  
Another one, another you  
It's gotta be love, I said it You gotta know, I'm feeling love  
Made of gold, I never loved a  
Another one, another you  
It's gotta be love, I said it A heart will swell before it's hardened  
With the flick of the hair, it can make you old  
Another hole to dig my soul in  
I'll leave anything bare that keeps me soul  
A physical kiss is nothing without it  
& you close your eyes to see what it's done  
The body that lies is built up on looking  
'Cause all that remains before it's begun You gotta know, I'm feeling love  
Made of gold, I never loved a  
Another one, another you  
It's gotta be love, I said it  
You gotta know, I'm feeling love  
Made of gold, I never loved a  
Another one, another you  
It's gotta be love, I said it  
You gotta know, I'm feeling love  
Made of gold, I never loved a  
Another one, another you  
It's gotta be love, I said it
