

Taste

Ride

Floating like a smoke ring
It cannot be regained
Now it's touched, it's broken
The taste just slips away
The taste just slips away
I just want to know The taste just slips away
The taste just slips away
I just want to know I don't want to tell you
What you want to know
I don't want to tell you As hard as right can be
It can feel so wrong
Too much to leave
Now it's all gone wrong
It's all gone wrong
But what's right or wrong?
I don't know
I don't know
The taste just slips away
