

# Taste

## Ride

Floating like a smoke ring  
It cannot be regained  
Now it's touched, it's broken  
The taste just slips away  
The taste just slips away  
I just want to know The taste just slips away  
The taste just slips away  
I just want to know I don't want to tell you  
What you want to know  
I don't want to tell you As hard as right can be  
It can feel so wrong  
Too much to leave  
Now it's all gone wrong  
It's all gone wrong  
But what's right or wrong?  
I don't know  
I don't know  
The taste just slips away
