## **Taste**

## Ride

Floating like a smoke ring It cannot be regained Now it's touched, it's broken The taste just slips away The taste just slips away I just want to knowThe taste just slips away The taste just slips away I just want to knowI don't want to tell you What you want to know I don't want to tell youAs hard as right can be It can feel so wrong Too much to leave Now it's all gone wrong It's all gone wrong But what's right or wrong? I don't know I don't know The taste just slips away
