

# What You Waiting For?

Gwen Stefani

Tick-tockTick-tock  
Tick-tock, tick-tockTick-tock, tick-tock  
Tick-tock, tick-tock  
La la la la la la  
I'm like a cat-in-heat stuck in a moving car  
A scary conversation, shut my eyes, can't find the brakeWhat if they say that you're a climber?  
Naturally I'm worried if I do it alone  
Who really cares 'cause it's your life  
You never know, it could be great  
Take a chance 'cause you might grow  
Oh, uh oh  
What you waiting, what you waiting, what you waiting  
What you waiting, what you waiting for?  
What you waiting, what you waiting, what you waiting  
What you waiting, what you waiting for?  
Tick-tock, tick-tockTick-tock, tick-tock  
Take a chance you stupid hoe  
Like an echo pedal, you're repeating yourself  
You know it all by heart  
Why are you standing in one place?Born to blossom, bloom to perish  
Your moment will run out 'cause of your sex chromosomeI know it's so messed up how our  
society all thinks  
Life is short, you're capable  
Oh, uh oh  
Look at your watch now  
You're still a super hot female  
You got your million dollar contract  
And they're all waiting for your hot track  
What you waiting, what you waiting, what you waiting  
What you waiting, what you waiting for?  
What you waiting, what you waiting, what you waiting  
What you waiting, what you waiting for?I can't wait to go  
Back into Japan  
Get me lots of brand new fans  
Osaka, Tokyo  
You Harajuku girlsDamn, you've got some wicked style  
Go  
Look at your watch now  
You're still a super hot female  
You got your million dollar contractAnd they're all waiting for your hot track  
What you waiting, what you waiting, what you waiting  
What you waiting, what you waiting for?

What you waiting, what you waiting, what you waiting  
What you waiting, what you waiting for?  
What you waiting for? what you waiting for?  
Take a chance you stupid hoe  
Take a chance you stupid hoe  
Take a chance you stupid hoe  
Take a chance you stupid hoe.
