Don't Dream It's Over

Donny Osmond

There is freedom within, there is freedom without

Trying to catch the deluge in a paper cup

There's a battle ahead, many battles are lost

But you'll never see the end of the road while you're traveling with meHey now, hey now, don't dream it's over

Hey now, hey now, when the world comes in

They come, they come

To build a wall between us, we know they won't winNow I'm towing my car, there's a hole in the roof

My possessions are causing me suspicion but there's no proof

In the paper today, tells of a war in a ways

But you turn it right over to the TV page

Hey now, hey now, don't dream it's over

Hey now, hey now, when the world comes in

They come, they come

To build a wall between us, we know they won't winNow I'm walking again, to the beat of a drum

And I'm pounding the steps to the door of your heart, yeah

Only shadows ahead, barely clearing the roof

Get to know the feeling of liberation and reliefHey now, hey now, don't dream it's over

Hey now, hey now, when the world comes in

They come, they come

To build a wall between us, you know they won't win

They won't win, yeah

Hey now, hey now, don't dream it's over, yeah

Hey now, hey now, when the world comes in

Hey now, hey now, don't dream

Don't you, don't you, baby from now

Hey now, hey now
