

# Zoe Jane

## Staind

Well, I want you to notice  
To notice when I'm not around  
I know that your eyes see straight through me  
And speak to me without a sound And I want to hold you  
Protect you from all of the things  
I've already endured  
And I want to show you  
Show you all the things  
That this life has in store for you  
And I'll always love you  
The way that a father  
Should love his daughter  
When I walked out this morning  
I cried as I walked to the door  
I cried about how long I'd be away for  
I cried about leaving you all alone And I want to hold you  
Protect you from all of the things  
I've already endured  
And I want to show you  
Show you all the things  
That this life has in store for you  
And I'll always love you  
The way that a father  
Should love his daughter Sweet Zoe Jane  
Sweet Zoe Jane  
So I wanted to say this  
Cause I wouldn't know where to begin  
To explain to you what I have been through  
To explain where your daddy has been So I want to hold you  
Protect you from all of the things  
I've already endured  
And I want to show you  
Show you all the things  
That this life has in store for you  
And I'll always love you  
The way that a father  
Should love his daughter  
Sweet Zoe Jane  
Sweet Zoe Jane
