

# Sparkling In the Sand

## Tower of Power

When God made you  
He had a lot to do  
In a day or two  
You were my dreams come true  
Soul searching eyes  
I visualize  
A girl with heaven in her soul  
If only you were mine  
We'd have a mellow time  
A pickin' flowers drinkin wine  
Rivers of love flowing through  
Valleys of dew  
(flute break)  
A time or so  
I felt you should be free  
To wait for your  
Prince charming to arrive  
Then come the time  
I know I can't survive  
Without your heart beating 'neath my breath  
If only you were mine  
We'd have a mellow time  
Pickin' the flowers and drinkin' wine  
Rivers of love flowing through  
(flute break)  
Bop wa bop du-wa  
Bob wa Bop du-wa  
Bop wa Bob du-wa  
Bob wa Bop du-wa  
Bop wa Bop du-wa  
Bop wa Bop du-wa  
Bop wa Bop du-wa  
No other love  
Could ever compensate  
A heart of stone  
My ever lasting fate  
Alone at night  
Tears cloud my dreams  
But through the haze  
Her image lasts  
Oohhh if only you were mine  
We'd have a mellow time

Pickin' flowers and drinkin' wine  
Rivers of love flowing through  
Valleys of dew  
You're a diamond sparkling in the sand  
(repeat to fade out)
