## **Sparkling In the Sand**

## **Tower of Power**

When God made you He had a lot to do In a day or two You were my dreams come true Soul searching eyes I visualize A girl with heaven in her soul If only you were mine We'd have a mellow time A pickin' flowers drinkin wine Rivers of love flowing through Valleys of dew (flute break) A time or so I felt you should be free To wait for your Prince charming to arrive Then come the time I know I can't survive Without your heart beating 'neath my breath If only you were mine We'd have a mellow time Pickin' the flowers and drinkin' wine Rivers of love flowing through (flute break) Bop wa bop du-wa Bob wa Bop du-wa Bop wa Bob du-wa Bob wa Bop du-wa Bop wa Bop du-wa Bop wa Bop du-wa Bop wa Bop du-wa No other love Could ever compensate A heart of stone My ever lasting fate Alone at night

Tears cloud my dreams
But through the haze
Her image lasts
Oohhh if only you were mine
We'd have a mellow time

Pickin' flowers and drinkin' wine Rivers of love flowing through Valleys of dew You're a diamond sparkling in the sand (repeat to fade out)
