

Trainwreck

Demi Lovato

La, dee, da
Yeah You fled from medication, 'cause it only causes pain
You won't go to the doctor, who keeps calling you insane
You're lost even when you're going the right way
You mean the world to me even though you might be crazy And you said we wouldn't make it
But look how far we've come
For so long my heart was breaking
But now we're standing strong The things you say
You make me fall harder each day
You're a trainwreck, but I wouldn't love you if you changed
No, yeah
I shook your hand and you pulled it right away, yeah
You asked me to dance and instead I said, "No way"
Inside I was dying to give it a try and you begged me, so I stayed
I knew you were different from the I way caved And you said we wouldn't make it
But look how far we've come
For so long my heart was breaking
But now we're standing strong The things you'd say
You make me fall harder each day
You're a trainwreck, but I wouldn't love you if you changed Yeah, ooh
No, yeah We were so different
But opposites attract
So my hope kept growing
And I never looked back
You're one of a kind
No one can change this heart of mine, oh
You said we wouldn't make it
But look how far we've come
For so long my heart was breaking
And now we're standing strong The things you'd say
You make me fall harder each day
You're a trainwreck, but I wouldn't love you if you changed
Oh, oohh, yeah One more thing I thought I'd share with someone special
I'm falling like I never fell before
It's funny you said we'd never make it
And look how far we've come
You're a trainwreck, but with you
I'm in love
