

Prisoner

Raphael Lake, Aaron Levy & Daniel Ryan Murphy

[Verse 1] Closed, iced
Never feel safe
I'm tongue , tied
Never let out my rage
Try to breaking this cage
But?where?would I go?I'm?stuck , living a life of? bad luck giving me nothing
Doors shut, alone in my head
I'm out of control[Chorus]Am I losing my sanity?
I'm over my head
I'm in a dark dream
I'm a prisoner
Here there never let me leave
Losing grip of me already
I'm over the edge
I yell and i scream
I'm a prisoner
Here come get me , set me free[Verse2]Hurt me , do what you want
I'm thirsty , feeding me bones
Hunger is all that I know
I'm starving for airTrapped here, sinking in deeper
Cold sweat were from a fever
I'm kept , locked in a box
And nobody cares[Chorus]
Am I losing my sanity?
I'm over my head
I'm in a dark dream
I'm a prisoner
Here there never let me leaveLosing grip of me already
I'm over the edge
I yell and i scream
I'm a prisoner
Here come get me , set me free
[Bridge]Dark dreams
Every time I close my eyes
Demons coming after meI'm tired, please
Every time I close my eyes I see them coming after meThis dark dreams
Every time I close my eyes, demons coming after meI'm tired, please
Every time I close my eyes I see them coming after me[Chorus]Am I losing my sanity?
I'm over my head
I'm in a dark dream
I'm a prisoner
Here there never let me leaveLosing grip of me already

I'm over the edge
I yell and i scream
I'm a prisoner
Here come get me , set me free[Outro]Dark dreams
Every time I close my eyes
Demons coming after meI'm tired, please
Every time I close my eyes I see them coming after me
