

Sun Burns Down (7th Heaven Club Mix)

Jin Akanishi

I got a one way ticket to Mars
Girl, where we're going we don't need a car
Just take my hand and let's get out of here Right now All up on my body all night
Silhouette is sexy in the moonlight
You don't have to be afraid to fly
We'll be there before you know So baby let's go
Make love until the Sun Burns Down
Do the impossible
Make love until the Sun Burns Down Just follow me got what you need
Imma take you there
Just wait and see
So baby let's go
Make love until the Sun Burns Down
I think I know just what you wanna do
A bed of roses ain't enough for you
Next flight is leaving 30 minutes from now
I see that look in your eyes All up on my body all night
Silhouette is sexy in the moonlight
You don't have to be afraid to fly, fly
We'll be there before you know So baby let's go
Make love until the Sun Burns Down
Do the impossible
Make love until the Sun Burns Down Just follow me got what you need
Imma take you there
Just wait and see
So baby let's go
Make love until the Sun Burns Down
Hey girl we never do the regular
Extraordinary is the move
I've got supernatural plans for you
So hold on tight and baby we can go So baby let's go
Make love until the Sun Burns Down
Do the impossible
Make love until the Sun Burns Down Just follow me got what you need
Imma take you there
Just wait and see
So baby let's go
Make love until the Sun Burns Down
