

That Man

Caro Emerald

I'm in a little bit of trouble
And I'm in real deep
From the beginning to the end
He was no more than a friend to me
The thought is makin' me hazy
I think I better sit down
Cause like the sweetest serenade
Bet he knows he's got it made with me
Twisting round on a carousel
This speeds' too much to stop
One second I'm thinkin' I'm feeling the lust
And then I feel a lot
Ooh that man is like a flame
And ooh that man plays me like a game
My only sin is I can't win
Ooh I wanna love that man
Ooh that man is on my list
And ooh that man I wanna kiss
My only sin is I can't win
Ooh I wanna love that man
Now it's like I'm on a mission
Headed everywhere
And if it takes a little long
And it feels a little wrong, who cares?
My baby fits the description
And does it easily
A little Gable, some Astaire
When he dances I can hardly breathe
Someone call a doctor
I need some help to rescue me
One second I'm thinkin' I must be lost
And he keeps on findin' me
Ooh that man is like a flame
And ooh that man plays me like a game
My only sin is I can't win
Ooh I wanna love that man
Ooh that man is on my list
And ooh that man I wanna kiss
My only sin is I can't win
Ooh I wanna love that man
Eeh, I'm gonna find that man
You bet ya, I'm gonna find that man
I'm gonna find that, I'm gonna find that man
Ooh that man is like a flame
And ooh that man plays me like a game
My only sin is I can't win
Ooh I wanna love that man
Ooh that man is on my list
And ooh that man I wanna kiss
My only sin is I can't win

Ooh I wanna love that man
"You know, I've been calling you for about two days now and I eh...
I wanted to see you darling, I really do, you know, because...
I think of you and eh...
All of me kind of goes a little bit crazy, so eh...
I believe it's a matter darling...
You should phone me, and we will have...
A night at the Cos Bar that neither of us will ever forget.
A beautiful evening of love, lust and paradise.
You can make it nice, call me back.
On Riverside at 42239.
Ciao ciao."
