

When You Touch Me

Brandy

introAll i can do is sit and think about
the way you used to love me
the way you used to hold me
and the way you used to touch me
and all i want is another moment
i'm waiting and i'm ready
touch meVerse 1
wish i could hold you
just for a little while, let me
i wish i could see you right now
but you're so far away
it's driving me crazy
i'm missing you baby
and the way you touch me
it's not like anything, i've ever felt before
that's how i know i am yoursB-Sectionnow is the time to
relax your mind and
go and unwind
i've waited for too long, i'm ready
tonight's the night
for loving you right
you know what i wanna do
i wanna give in to you
Chorusreally miss you baby
and ways you touch me
i can't hardly wait
til you touch me
how i want you so
thoughts of you make me lose self control
soon as i see you baby
i'm gonna ask you for sure
could you please touch me?Verse 2i'm coming to see you
i'm wearing the dress that you like
i'll be on the first plane
i'll call when i get there, i promise
i haven't been sleeping, noooo
i've been thinking 'bout the way you touch me
i'm losing all self control
feels like i'm letting go
and i'm loving every minuteB-Sectionnow is the time to
relax your mind and
go and unwind

i've waited for too long, i'm ready
tonight's the night
for loving you right
you know what i want to do
wanna give it to you babyChorusreally miss you baby
and the way that you touch me
now i can hardly wait
til you touch me
how i want you so
all of a sudden make me lose control
soon as i see you baby
i'm going to ask you for sure
will you please touch me?i'm still here
i'm still waiting
what time are you coming?Bridgeday and night i'm yearning for you to touch me
i'm thinking of you only, you are my everything
said i gotta be your lady
there is nothing that i would'nt do for youChorusOutro
