

# Note to Self

J. Cole

And wherever we go  
And whatever we do  
And whatever we see  
And whoever we be  
It don't matter  
It don't matter  
I don't mind cause you don't matter  
I don't mind cause I don't matter  
(And don't shit matter)  
You'll see in the end  
I've got a feeling that there's somethin' more  
Something that holds us together  
Something that holds us together  
The strangest feeling but I can't be sure  
Something that's old is forever  
Something that's old is forever  
Love  
Love  
Love  
Love  
And wherever we go  
And whatever we do  
And whatever we see  
And whoever we be  
It don't matter  
It don't matter  
I don't mind cause you don't matter  
I don't mind cause I don't matter  
(And don't shit matter)  
You'll see in the end  
Yeah nigga,
