## Husky

Come wake me up when it's time to go, brother i'm going to sleep tonight.

You've been awake for days now, and i've seen ghosts.

Let's take a walk through these empty streets, we can leave out shoes behind. It's these moments inbetween, that i need the most.In the dreamless hours of nothing, i was drifting like a ghost.

And the vampires here among us. Its the thirst i fear the most.

All my plans are splinters in the fire now,

i'm gonna sit right here in the middle of it

i'm gonna sit right here until you come back down and bail me out.i want you out in the street  
but lets break everything,

you know i'm no sunken ship, but i'm living with ghosts.

I got a crooked hotel life like a stray dog fantasy

maybe all i'll be, is a phantom host

In the dreamless hours of nothing, i was drifting like a ghost. And the vampires here among us.  
Its the thirst i fear the most. All my plans are splinters in the fire now, i'm gonna sit right here in  
the middle of it i'm gonna sit right here until you come back down and bail me out.
