That Old Black Magic

Dave Brubeck & Tony Bennett

Old black magic has me in its spell Old black magic that you weave so well Those icy fingers up and down my spine The same old witch craft when your eyes meet mine Same old tingle that I feel inside Then the elevator starts it rideDown and down I go Round and round I go Like a leaf caught in a tide I should stay away but what can I do I hear your name and I'm a flameFlame, flame of desire Only your kiss can put out the fire Oh you're the lover I have waiting for Your the mate that fate had me created for And every time your lips meet mine Down and down I go Round and round I go In a spin, lovin' the spin I'm in Under the old black magic called love In a spin lovin' the spin I'm in Under the old black magic called love In a spin lovin' the spin I'm in Under the old black magic called love I should stay away but what can I do I hear your name and I'm a flameFlame, flame of desire Only your kiss can put out the fire Oh you are the lover I have waited for Your the mate that fate had me created for And every time your lips meet mine Down and down I go Round and round I go In a spin, lovin' the spin I'm in Under the old black magic called love Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
