

Heartbreaker (feat. Glenn Hughes)

Joe Bonamassa

Well, my maker
Must've been a hard heartbreaker
And I'll tell you why
Said, my maker
Must've been a hard heartbreaker
And I'll tell you why I'm breakin' my own heart
Tryin' to love a faker And I'll tell your soul
Just like a blind, blind man
My little house is on fire
Just like a blind man
My little house is on fire
Oh yes, it is
I'm burnin' my own eyes out
Tryin' to reach the door Well, the sun is shining
Well, the sun it was shining
But it sure don't seem to reach my heart
My heart is cold, it is Well, the sun is shining
Well, the sun is shining
But it sure don't seem to reach my heart
Reach my heart, but I was cold I'm wastin' my whole life
Tryin' to make a new start, to make a new start
Gonna make a new start, gonna make a new start
Gonna make a new start, make a new start
Make a new, make a new, make a new, yeah
Gonna make a new start, gonna make a new start
Gonna make a new start, gonna make
I'm gonna make
