

# Curious

Hayley Kiyoko

Yeah  
I need a drink  
Whiskey ain't my thing  
But shit is all good  
I can handle things  
Like I wish that you would  
You've been out of reach, could you explain  
I think that you should  
What you been up to  
Whose been loving you good  
I'm just on the floor, I'm like a model  
Been looking through the texts and all the photos  
But don't you worry I can handle it  
No, don't you worry I can handle it  
If you let him touch ya, touch ya,  
touch ya, touch ya, touch ya, touch ya (yeah)  
The way I used to, used to, used to, used to, used to, used to (yeah)  
Did you take him to the pier in Santa Monica  
Forget to bring a jacket, wrapped up in him cause you wanted to  
I'm just curious, is it serious?  
I'm just curious, is it serious?  
Calling me up so late at night  
Are we just friends?  
You say you wanted me, but you're sleeping with him  
You think of me, I'm what you see  
When you look at the sky  
I don't believe you  
You ain't been loving me right  
I'm just on the floor, I'm like a model  
Been looking through the texts and all the photos  
But don't you worry I can handle it  
No, don't you worry I can handle it  
If you let him touch ya, touch ya,  
touch ya, touch ya, touch ya, touch ya (Yeah)  
The way I used to, used to, used to, used to, used to, used to (Yeah)  
Did you take him to the pier in Santa Monica  
Forget to bring a jacket, wrapped up in him cause you wanted to  
I'm just curious, is it serious?  
If you let him touch ya, touch ya,  
touch ya, touch ya, touch ya, touch ya (Yeah)  
The way I used to, used to, used to, used to, used to, used to (Yeah)  
Did you take him to the pier in Santa Monica

Forget to bring a jacket, wrapped up in him cause you wanted to  
I'm just curious, is it serious?  
I'm just on the floor, I'm like a model  
Been looking through the texts and all the photos  
But don't you worry I can handle it  
No, don't you worry I can handle it  
If you let him, if you let him  
If you let him touch ya, touch ya,  
touch ya, touch ya, touch ya, touch ya (Yeah)  
The way I used to, used to, used to, used to, used to, used to (Yeah)  
Did you take him to the pier in Santa Monica  
Forget to bring a jacket, wrapped up in him cause you wanted to  
I'm just curious, is it serious?  
I'm just curious, is it serious?
