

Still the One (Hoppen Nashville Mix)

Orleans

We've been together since way back when
Sometimes I never want to see you again
But I want you to know, after all these years
You're still the one I want whisperin' in my ear
You're still the one I want to talk to in bed
Still the one that turns my head
We're still having fun, and you're still the one
I looked at your face every day
But I never saw it 'til I went away
When winter came, I just wanted to go
Deep in the desert, I longed for the snow
You're still the one that makes me laugh
Still the one that's my better half
We're still having fun, and you're still the one
You're still the one that makes me strong
Still the one I want to take along
We're still having fun, and you're still the one
Changing, our love it comes and goes
Even though we grow, it grows too
You're still the one that I love to touch
Still the one and I can't get enough
We're still having fun, and you're still the one
You're still the one who can scratch my itch
Still the one that I wouldn't switch
We're still having fun, and you're still the one
You are still the one that makes me shout
Still the one that I dream about
We're still having fun, and you're still the one...
You're still the one
Yeah, still the one
We're still having fun
And you're still the one
