For Michael Collins, Jeffrey and Me

Jethro Tull

Watery eyes of the last sighing seconds, blue reflections mute and dim beckon tearful child of wonder to repentance of the sin. And the blind and lusty lovers of the great eternal lie go on believing nothing since something has to die. And the ape's curiosity money power wins, and the yellow soft mountains move under him. I'm with you L.E.M. though it's a shame that it had to be you. The mother ship is just a blip from your trip made for two. I'm with you boys, so please employ just a little extra care. It's on my mind I'm left behind when I should have been there. Walking with you. And the limp face hungry viewers fight to fasten with their eyes like the man hung from the trapeze whose fall will satisfy. And congratulate each other on their rare and wondrous deed That their begrudged money bought to sow the monkey's seed. And the yellow soft mountains they grow very still witness as intrusion the humanoid thrill. I'm with you L.E.M. though it's a shame that it had to be you. The mother ship is just a blip from your trip made for two. I'm with you boys, so please employ just a little extra care. It's on my mind I'm left behind when I should have been there. Walking with you.
