The Tin Man

Kenny Chesney

(kenny chesney/stacey slate/david lowe) Saw a man in the movies that didn't have a heart how i wish i could give him mine then i wouldn't have to feel it breaking all apart and this emptiness inside would suit me fine It's times like these i wish i were a tin man you could hurt me all you wanted and i'd never even know i'd give anything just to be the tin man and i wouldn't have a heart and i wouldn't need a soul I couldn't see your leavin' comin' you took me by surprise even now it still seems like a dream but i know i can't be dreamin' 'cause as i lay down each night the pain so great that it won't let me sleep It's times like these i wish i were a tin man you could hurt me all you wanted and i'd never even know i'd give anything just to be the tin man and i wouldn't have a heart and i wouldn't need a soul well i'd give anything just to be the tin man and i wouldn't have a heart and i wouldn't miss you so Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
