

Aftermath

Adam Lambert

Have you lost your way?
Livin' in the shadow of the messes that you made

...

And so it goes Everything inside your circle starts to overflow

...

Take a step before you leap
Into the colors that you seek You give back what you give away

So don't look back on yesterday

Wanna scream out, no more hiding

Don't be afraid of what's inside Gonna tell ya you'll be alright

In the aftermath

Anytime anybody pulls you down

Anytime anybody says you're not allowed

Just remember you are not alone

In the aftermath

...

You feel the weight Of lies and contradictions that you live with every day

...

It's not too late

Think of what could be if you rewrite the role you play...

Take a step before you leap

Into the colors that you seek

You give back what you give away So don't look back on yesterday

Wanna scream out, no more hiding

Don't be afraid of what's inside

Gonna tell ya you'll be alright

In the aftermath

Anytime anybody pulls you down

Anytime anybody says you're not allowed

Just remember you are not alone In the aftermath

...In the aftermath

...

Before you break you have to change your own mind

Take a trip and fall into the pit Tell a stranger that their view is full

So all you feel is love, love

...

All you feel is love, love

...

Wanna scream out, no more hiding

Don't be afraid of what's inside

Wanna tell you you'll be alright

In the aftermath

Wanna scream out
No more hiding
Don't be afraid of what's inside
Gonna tell ya you'll be alright
In the Aftermath
Anytime anybody pulls you down
Anytime anybody says you're not allowed
Just remember you are not alone
In the aftermath

...

In the aftermath
(Gonna tell ya you'll be alright)
In the aftermath

...

In the aftermath

...

Just remember you are not alone

...

In the aftermath
