

# Sometimes I Cry

[Chris Stapleton](#)

There are days that I can walk around like I'm alright,  
And I pretend to wear a smile on my face,  
And I could keep the pain from comin' out of my eyes,  
But sometimes, sometimes, Sometimes I cry,

Cry,

Sometimes I cry,

When I can't do nothing else. Everybody keeps tellin' me to move on,

Oh but I can't seem to go anywhere without you,  
Cause ever since, and every single night you been gone,  
Sometimes, sometimes, Sometimes I cry,

Cry,

Sometimes I cry,

When I can't do nothing else

Sometimes I cry

Sometimes I cry

Sometimes I cry

When I can't do nothing else.
