

Sun Goes Down

ATB

I dont know what else could make it go,
I dont know what else to do to make it come (yeah)
 maybe im tired of thinking,
 maybe my life is just growing old
 well thats enough crying for today
do we have enough friend-nemmys to make you stay?
 maybe im tired of thinking,
 maybe my life is just growing old
 dont let the sun go down on me
 dont let the sun Go down on me,
 Mama i think im getting cold
what if i cant remember what you told me
 maybe im tired of thinking,
 maybe my life is just growing old
 Looks like ive just lost my hand
I think i'll throw my stick back in the sand.
 dont let the sun Go down on me.
