

# Baby

## Bakermat

Baby, my heart is full of love and desire for you  
Now come on down and do what you got to do  
You started this fire down in my soul  
Now can't you see it's burning out of control My heart is full of love and desire for you  
Now come on down and do what you got to do  
You started this fire down in my soul  
Now can't you see it's burning out of control Ooooooh, satisfy the need in me  
Oh baby, my heart is full of love and desire for you  
Now come on down and do what you got to do  
You started this fire down in my soul  
Now can't you see it's burning out of control Don't you understand, baby baby please  
Cause only your good loving can set me free  
Heey beby, come and satisfy the need in me  
Oh baby, come and satisfy the need in me  
Oh baby, come and satisfy the need in me Heey baby, come and satisfy the need in me  
Oh baby, come and satisfy the need in me  
Hey baby  
Cause only your good loving can set me free  
Heey baby, come and satisfy the need in me  
Oh baby, my heart is full of love and desire for you  
Now come on down and do what you got to do  
You started this fire down in my soul  
Now can't you see it's burning out of control  
Ooooooh, satisfy the need in me  
Oh baby
