

Fly Away

Lenny Kravitz

I wish that I could fly
Into the sky
So very high Just like a dragonfly I'd fly above the trees
Over the seas
In all degrees To anywhere I please
Oh, I want to get away
I want to fly away
Yea, yea, yea
I want to get away
I want to fly away Yea, yea, yea
Let's go and see the stars
The Milky Way or even Mars
Where it could just be ours
Let's fade into the sun
Let your spirit fly
Where we are one
Just for a little fun Oh, oh, oh yea
I want to get away
I want to fly away
Yea, yea, yea
I want to get away
I want to fly away Yea, yea, yea
I got to get away
Girl I got to get away
Oh, oh, oh yea
I want to get away
I want to fly away
Yea, yea, yea
(With you)
Oh yeah
I want to get away
I want to fly away
Yea, yea, yea
(With you)
I got to get away
I want to get away
I want to get away
I want to get away
I want to get away
Yea
I want to get away
I want to fly away

Yea, yea, yea
(With you)
Girl I got to get away
I want to get away
I want to get away
I want to get away
I want to get away
Yea
I want to get away
I want to fly away
Yea, yea, yea
(With you)
Yea, yea, yea, yea, yea
