

Day 1

Leslie Grace

Nunca pense enamorarme asi de los pies a la cabeza
Had me feel like a little girl in a fairytale, como un cuento de princesa
Nunca pense jamas amar asi

Y apareciste tu
It hasn't been too long since I've been with you, but I think
we got a situation (yeah) Deje mi alma navegar, mi miedo descanso
Quisiste conquistar y al escuchar tu voz
Sabia que eras tu y yo,
Yo no habia sentido nada igual
me robaste el corazon From
Yeah you really had my heart from
Me robaste el Corazon from Day 1
Mi anhelo es amarte, ayudarte Y arroparte con mi luz
Yeah it's love with you and no one does it like you do El verdadero amor
No sabe del dolor
Me lo enseaste asi
Nunca pense jamas amar asi

Y apareciste tu
It hasn't been too long since I've been with you, but I think
we got a situation (yeah) Deje mi alma navegar, mi miedo descanso
Quisiste conquistar y al escuchar tu voz
Sabia que eras tu y yo,
Yo no habia sentido nada igual
me robaste el corazon From
Yeah you really had my heart from
Day 1 (Yeah, yeah)
Me robaste el Corazon from Day 1
Yes you had me, had me from Day 1
Yeah you really had my heart from
Me robaste el Corazon from Day 1
Yes you had me, had me from Day 1
