## L2M

Bring on the lights at the stage and the moon too celebrate  
We're stick together through whatever hand in hand  
Let's live it all  
Let's live it all  
Don't need no boys to tell us no  
Werent refused to be controlled  
We're shooting stars or do your scenes glow  
Do what we want, where'ever we want Make it where you want, ya that's the model  
Doing our thing like oh oh  
Drum what we got like we won the lotto Girls, come on turn it up and sing along  
Oh, we're might's tryna be in all clubs  
There's an hour in the noun  
Like diamonds in the crowd  
Uh Girls  
Uh Girls  
Uh Girls  
Uh Girls I'm the player of the wars  
Flip your hair back and forth  
Be the senner of attention  
Let'em know your the star of the show  
Star of the show  
Let them good step them out now you wont break us down  
Remember that you always beautiful  
You got it all  
You got it all Make it where you want, ya that's the model Doing our thing like oh oh  
Drum what we got like we won the lotto  
Girls, Come on turn it up and sing along  
Oh, we're might tryna be in all clubs  
There's an hour in the noun  
Like diamonds in the crowd Uh girls  
Uh girls  
Uh girls  
Uh girls Oh, you know that you can't do no wrong  
When you feel like dancing with us  
You know, you know you are  
Hey hey hey Girls, come on turn it up and sing along  
Oh, we're might tryna be in all clubs  
There's an hour in the noun  
Like diamonds in the crowd Uh girls
