

# Take My Breath Away

Alesso

Burning lights  
Hang over head  
Body high  
Swimming in my bed  
We ignite  
We're slipping lakes and  
Don't you know you excite me like that  
When you touch me like that  
Got me running right back  
I want it, I want it, I want it, I want it, I want it now  
I'm gonna, I'm gonna, I'm gonna, I'm gonna show you how  
Take my breath away  
Take my breath away  
Take my breath away  
Take my breath away  
Take my breath away Take my breath away  
Take my breath away Higher heights  
To shallow breaths  
Hold it tight  
Never, Never end  
Pull me down  
To ecstasy  
Don't you know you excite me like that  
When you touch me like that  
Got me running right back  
I want it, I want it, I want it, I want it, I want it now  
I'm gonna, I'm gonna, I'm gonna, I'm gonna show you how  
Take my breath away  
Take my breath away  
Take my breath away  
Take my breath away  
Take my breath away Take my breath away  
Take my breath away  
Take my breath away
