## I'll Never Love Again

## **Lady Gaga**

Wish I could, I could've said goodbye
I would've said what I wanted to
Maybe even cried for you
If I knew it would be the last time
I would've broke my heart in two
Tryin' to save a part of youDon't wanna feel another touch
Don't wanna start another fire
Don't wanna know another kiss
No other name falling off my lips
Don't wanna to give my heart away

To another stranger
Or let another day begin
Won't even let the sunlight in
No, I'll never love again
I'll never love again, ooh
When we first met

I never thought that I would fall I never thought that I'd find myself

Lying in your arms

And I want to pretend that it's not true Oh baby, that you're gone

'Cause my world keeps turning, and turning, and turning And I'm not moving onDon't wanna feel another touch

> Don't wanna start another fire Don't wanna know another kiss No other name falling off my lips Don't wanna give my heart away To another stranger Or let another day begin

Won't even let the sunlight in

No, I'll never love

I don't wanna know this feeling Unless it's you and me

I don't wanna waste a moment, ooh And I don't wanna give somebody else the better part of me I would rather wait for you, oohDon't wanna feel another touch

> Don't wanna start another fire Don't wanna know another kiss Baby, I'll stay on your lips Don't wanna give my heart away To another stranger Or let another day begin

Won't even let the sunlight in
Oh, I'll never love again
Oh, I'll never love again
I'll never love again
I wouldn't want to swear I can
I wish I could but i just won't
I'll never love again
I'll never love again
I'll never love again, oh
