

Lost In Your Love

R. Kelly

I wanna bring love songs
Back to the radio Can I bring love songs
Back to the radio? Lets get it
I wanna be blind tonight
While I'm loving you I wanna have to find my way
And I don't wanna have a clue
Just let the universe surprise me
When I walk into your room, babe
I got a whole lot of kissing, gotta whole lot of touching
Gotta whole lot of loving waiting on you, baby
Gotta whole lot of feeling, gotta whole lot of thrilling
Gotta whole lot of healing, wanna please you
So let's turn off all the lights because
Baby tonight, I wanna get lost in your love
Baby tonight, I wanna get lost in your love, girl, tonight
Baby tonight, I wanna get lost in your love
Baby tonight, I wanna get lost in your love So come on and
Push it, push it!
Push it, push it!
Push it, push it!
Push it, push it!
I wanna get lost, babe
I wanna get lost, babe
I wanna get lost, babe
I wanna get lost, babe I wanna make love in breath
My love filling on you, yeah, babe
And I don't wanna have a care
You just do what you wanna do
To me, babe I wanna drift far out in your voice, girl
And get trapped in your wilderness Oh girl, I got a whole lot of kissing, gotta whole lot of
touching
Gotta whole lot of loving waiting on you, yes babe
And I gotta a whole lot of thrilling, gotta whole lot of feeling
Gotta whole lot of healing, wanna please you So let's turn off all the lights because
Baby tonight, I wanna get lost in your love
Baby tonight, I wanna get lost in your love
Baby tonight, I wanna get lost in your love
Baby tonight, I wanna get lost in your love Baby, come on and
Push it, push it!
Push it, push it!
Push it, push it!
Push it, push it! We don't need no explanation

'Cause this love we make is our confirmation
So let it do, what it do, when it do, how it do to you
Girl, let us lose ourselves in the middle of this magicNow, baby tonight
Baby tonight, I wanna get lost in your love
Baby tonight, I wanna get lost in your love
Baby tonight, I wanna get lost in your love
Baby tonight, I wanna get lost in your love
Baby tonight, I wanna get lost in your love
Baby tonight, I wanna get lost in your love
Baby tonight, I wanna get lost in your love
Baby tonight
Baby tonight
