Express Yourself

<u>N.W.A.</u>

Yo man, there's a lot of brothers out there Flakin' and perpetratin' but scared to kick reality Man, you been doin' all this dope producin' You ain't had a chance to show 'em what time it is So what you want me to do? Express yourselfI'm expressin' with my full capabilities And now I'm livin' in correctional facilities 'Cause some don't agree with how I do this I get straight and meditate like a BuddhistI'm droppin' flava, my behavior is hereditary But my technique is very necessary Blame it on Ice Cube because he said it gets funky When you got a subject and a predicate Add it on a dope beat and it'll make you think Some suckers just tickle me pink to my stomach 'Cause they don't flow like this one You know what? I won't hesitate to diss oneOr two before I'm through, so don't try to sing this Some drop science while I'm droppin' English Even if Yella, makes it acapella I still express, yo, I don't smoke weed or sess'Cause it's known to give a brother brain damage And brain damage on the mic don't manage nuthin' But makin' a sucka and you equal Don't be another sequel, express yourselfExpress yourself Go on and do it Express yourself Express yourself Go on and do it Now, gettin' back to the PG That's program and it's easy Dre is back, new jacks are made hollow Expressin' ain't their subject because they like to follow The words, the style, the trend, the records I spin Again and again and again, yo, you're on the other end Watch a brother blend dope rhymes with no help There's no fessin' or guessin' while I'm expressin' myselfIt's crazy to see people be what society wants them to be, but not me Ruthless is the way to go, they know Others say rhymes which fail to be originalOr they kill where the hip hop starts Forget about the ghetto and rap for the pop charts Some musicians cuss at home But scared to use profanity when up on the microphoneYeah, they want reality but you will hear none They'd rather exaggerate a little fiction Some say no to drugs and take a stand

But after the show, they go lookin' for the dopemanOr they ban my group from the radio Hear N.W.A. and say hell no But you know it ain't all about wealth As long as you make a note to express yourselfExpress yourself Go on and do it Express yourself Express yourself Go on and do it Express yourselfFrom the heart 'cause if you wanna start to move up the chart Then expression is a big part of it You ain't efficient when you flow, you ain't swift Movin' like a tortoise, full of rigor mortisThere's a little bit more to show I got rhymes in my mind, embedded like an embryo Or a lesson, all of them expression And if you start fessin', I got a Smith & Wesson for yaI might ignore your record because it has no bottom I get loose in the summer, winter, spring and autumn It's Dre on the mic, gettin' physical Doin' the job, N.W.A is the lynch mobYes, I'ma calm but you know you need this And the knowledge is growin' just like a fetus Or a tumor but here is the rumor Dre is in the neighborhood and he's up to no goodWhen I start expressin' myself, Yella, slam it 'Cause if I stay funky like this I'm doin' damage Or I'ma be too hyped and need a straight jacket I got knowledge and other suckers lack itSo, when you see Dre, a DJ on the mic Ask what it's like, it's like we're gettin' hyped tonight 'Cause if I strike, it ain't for your good health But I won't strike if you just express yourselfExpress yourself Go on and do it Express yourself Express yourself Go on and do itExpress yourself Go on and do it Go on and do it Go on and do it Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
