## My Dilemma 2.0

## Selena Gomez & The Scene

You make me so upset sometimes I feel like I could lose my mind... The conversation goes nowhere 'Cause you're never gonna take me there...And I know, what I know And I know you're no good for me And I know it's not meant to beHere's my dilemma One half of me wants ya And the other half wants to forget My-my-my dilemma From the moment I met ya I just can't get you out of my head And I tell myself to run from you But I find myself attracted to my dilemma, My dilemma, it's you, it's you Your eyes have told a thousand lies But I believe them when they look in mine... I heard the rumors but you won't come clean I guess I'm hoping it's because of me...And I know, what I know And I know you're no good for me And I know it's not meant to beHere's my dilemma One half of me wants ya And the other half wants to forget My-my-my dilemma From the moment I met ya I just can't get you out of my head And I tell myself to run from you But I find myself ATTRACTED to my dilemma, My dilemma, it's you, it's youOne day I want you and then I don't. I'm gonna leave you and then I won't. I can't live with or without you. I can't live with or without you. Here's my dilemma One half of me wants ya And the other half wants to forget My-my-my dilemma From the moment I met ya I just can't get you out of my head (Can't get you out of my) And I tell myself to run from you But I find myself ATTRACTED to my dilemma, My dilemma, it's you, it's youMy-My-My Dilemma Song Discussions is protected by U.S. Patent 9401941.
