

Let's Get Crazy (feat. Akon)

Cassie

Let's get crazy tonight*
Let's get crazy tonight
Let's get crazy tonight I'm right here, all over the place like bubbles
My shine is like America's next top model
Hands clap when I'm rolling my body
That's a seven if I was rolling the dice
I don't care, I'll be dancing up on your table
Steal your bottle and I'll suck it down to the bottom
Think that I'm cute to you, just smile
What you gon' do about it now
Let's get crazy tonight
Let's get crazy tonight
I don't really care what nobody think
Let's get crazy tonight
Looking all hot and spending them Gs
We are crazy alright
Wanna live wild and free (yeah, yeah, yeah)
Here's the recipe, so
Let's get crazy tonight
Let's get crazy tonight You're right here and I know that you're looking for trouble
And I'm just like the fire you need to rumble
It's all good cause we all keep the party
I believe that we gon' get it just right
My Serac is on the rocks and it's always double
So I could lose control, I like it baby when I stumble
Think that I'm cute to you, just smile
What you gon' do about it now
Let's get crazy tonight
Let's get crazy tonight
I don't really care what nobody think
Let's get crazy tonight
Looking all hot and spending them Gs
We are crazy alright
Wanna live wild and free (yeah, yeah, yeah)
Here's the recipe, so
Let's get crazy tonight
Let's get crazy tonight Let's get crazy tonight
Let's get crazy tonight
Wanna live wild and free (yeah, yeah, yeah)
Here's the recipe, so
Let's get crazy tonight
Let's get crazy tonight Shawty so wow, shawty got style

Doing everything to me to make me just want her now
I can see how
Body keep mesmerizing on me with that beautiful smile
Checking me down
To a point to where I can't even speak no more
But needing you to know that I'm a fan
And the way you got me caught up on you tonight I'll never understand
Taking every bit of me to be so polite, to be a gentleman
But I can't help to have the same [?] that you have in your command
So let's just go crazy I don't really care what nobody think
Let's get crazy tonight
Looking all hot and spending them Gs
We are crazy alright
Wanna live wild and free (yeah, yeah, yeah)
Here's the recipe, so
Let's get crazy tonight
Let's get crazy tonight I don't really care what nobody think
Let's get crazy tonight
Looking all hot and spending them Gs
We are crazy alright
Wanna live wild and free (yeah, yeah, yeah)
Here's the recipe, so
Let's get crazy tonight
Let's get crazy tonight Let's get crazy tonight
Let's get crazy tonight
Wanna live wild and free (yeah, yeah, yeah)
Here's the recipe, so
Let's get crazy tonight
Let's get crazy tonight
