Nobody Loves Me Like You Do

Whitney Houston

Like a candle burning bright Love is glowing in your eyes A flame to light our way That burns brighter everyday But now I have you

Nobody loves me like you doLike a leaf upon the wind

I could find no place to land

I dreamed the hours away

And wondered everyday

Do dreams come true

And nobody loves me like you do

What if I'd never met you

Where would I be right now

Funny how life just falls in place somehow

You've touched my heart in places

That I never even knew

'Cause nobody loves me like you doI was words without a tune

I was a song still unsung

A poem with know rhyme

A dancer out of time

But now there's you

Baby, nobody loves me like you do

What if I'd never met you

Where would I be right now

Funny how life just falls in place somehow

You've touched my heart in places

That I never even knew

Nobody loves me, nobody loves me

Nobody loves me like you do

Nobody loves me like you do
