

# If God Only Knew

Beth Hart

God only knew, how much I loved that man (over and over again)  
(Over and over again) Ain't no words to say, the way I feel  
It's like a bad dream, but it's real  
It seems like only yesterday  
We were talkin', in the most familiar way Now everybody, knows the way I am (yes, they do)  
They all see right, through my show  
I aimed so high, now I'm so low (so low)  
I'm all dressed up, and I got nowhere to go  
[Chorus]  
If God only knew, how I loved that man (why don't you tell me bout it)  
I would have died for you, I guess he'll never understand  
I loved you right or wrong, it was you all along  
Heaven knows that it's true, hard as it's been  
I'd do it all over again (over and over, and over again) I say goodbye to dreamin' (dreamin'  
It's only water, in my hands (Over, and over, and over and over again) So when you see me,  
walkin' down that street  
Don't ignore me, if I speak  
'Cause I knew you better, than anyone else  
And I loved you more, than you could ever know yourself  
[Chorus]  
If God only knew, how I loved that man (why don't you tell me bout it)  
I would have died for you, and I guess he'll never understand  
Loved you right or wrong, it was you all along  
Heaven knows that it's true, hard as it's been  
I'd do it all over again [Repeat]  
(Over, and over again)
