Get Away (feat. Angela Hunte & Elan Atias)

Snoop Lion

Gotta get away
Gotta get away
To a place I love
To a place I loveGotta get away
Gotta get away

To a place I love

To a place I love'Cause when them boys in my shooting

They I'm missing on a dark play

'Cause when you at them and tell them

And the gun fill them belly

And grown enough so you can be the last living crew for

The euphoria, the euphoria

Shoot, shoot, shoot, shoot

Shoot, shoot, shoot, shoot

Shoot, shoot, shoot, shoot

Shoot, shoot, shoot, shoot Gotta get away

Gotta get away

To a place I love

To a place I loveYou gonna have to jump on it

You gonna have to lift it

You gonna have to jump on it

You gonna have to lift it

You gonna have to jump on it

You gonna have to lift it

You gonna have to jump on it

You gonna have to lift it

'Cause when you at them and tell them

And the gun fill them belly

And grown enough so you can be the last living crew for The euphoria, the euphoriaShoot, shoot, shoo

Shoot, shoot, shoot, shoot

Shoot, shoot, shoot, shoot

Shoot, shoot, shoot, shoot Gotta get away

Gotta get away

To a place I love

To a place I loveGotta get away

Gotta get away

To a place I love

To a place I loveGotta get away

Gotta get away

To a place I love

To a place I love
