

Did My Time

Korn

Realized I can never win
Sometimes feel like I have failed
Inside where do I begin
My mind is laughing at me Tell me, why am I blame
Arn't we supposed to be the same
Thats why I will never tame
This thing thats burning in me...
I am the one who chose my path
I am the one who couldn't last
I feel the life pulled from me I feel anger changing me
Sometimes I can never tell
If I've got something after me
Thats why I just beg and plead
For this curse to leave me
Tell me, why am I to blame Aren't we supposed to be the same
Thats why I will never tame
This thing thats burning in me
...I am the one who chose my path
I am the one who couldn't last
I feel the life pulled from me
I feel the anger changing me
...
Betrayed
I feel so
Enslaved
I really tried
I did my time
I did my time
...
I did my time
I did my time
I did my time
...
I am the one that chose my path
I am the one who couldn't last
I feel the life pulled from me
I feel the anger changing me
Oh god the angers changing me
Oh god the angers changing me
...
