

# Victim of Love (feat. Menahan Street Band)

Charles Bradley

Featuring Menahan Street Band  
Nowhere to hide  
Victim of love I'm a victim... of loving you  
I'm victim... of wanting you  
I woke up this morning... I found your love  
Laying beside my soul  
You told me that you loved me baby  
I... oh I love you baby  
I love you so darn gone much Victim of love  
Victim of love  
Nowhere to hide  
Victim of love  
I'm a victim... of loving you, baby  
When I was walking on the streets the other day  
(On the street...)  
You passed by and said (say hello)  
Hello  
Uh baby  
My heart skips a beat  
(skip skip skip skip)  
(skip a beat) Loving you... wanting you  
Every time I see your face  
Baby  
Come on  
Come on home  
Where you belong  
Victim of love  
Victim, victim  
Victim of love  
Victim  
Nowhere to hide  
Nowhere to hide  
You know...  
When I tell you I love you  
Victim of love  
There's nowhere for me to hide no more baby  
Victim of love  
You got deep down in my soul  
You touched my heart  
He's a victim  
He's a victim  
Uh baby  
He's a victim

I'm a victim  
He's a victim  
Of loving you  
I need you, baby
