

# Feels Like Loneliness

Sabrina Carpenter

You're not asking for much, but  
It just seems like a lot and  
Kinda confused, don't know what to choose, but baby  
It's hard for me  
I'm not ready for your love I keep up my guard, but  
I don't mean to tease ya  
You're down on your knees  
You're begging me please, but darling  
It's not the way  
To get me babe, you know  
Whoops didn't mean to make you love me  
Whoops didn't mean to make you love me  
Didn't mean to be charming  
Such a beautiful darling  
Didn't wanna make you think  
We could be a thing  
And I give you everything, love Love feels like loneliness  
Love feels like loneliness sometimes  
That's just the way it is  
Love feels like loneliness sometimes We can't get the timing  
Because I was running  
But now I want you  
And you always knew, so baby  
You pull away  
And make me wait for you  
So screw all that love-ish  
I think that I've had it  
The more you turn your back  
Then I want you back  
'Cause this is the last time  
I'll play this game  
Always the same, and I'm through Whoops didn't mean to make you love me  
Whoops didn't mean to make you love me  
Didn't mean to be charming  
Such a beautiful darling  
Didn't wanna make you think  
We could be a thing  
And I give you everything, love Love feels like loneliness  
Love feels like loneliness sometimes  
That's just the way it is  
Love feels like loneliness sometimes Sometimes, sometimes  
Sometimes, sometimes

Sometimes, sometimes  
Sometimes  
Love feels (sometimes) like loneliness sometimes  
Sometimes  
Cause love feels like loneliness sometimes Love feels like loneliness (Sometimes)  
And love feels like loneliness sometimes  
That's just the way it is  
Love feels like loneliness sometimes  
(Sometimes, sometimes) No no no no no no no  
(Sometimes, sometimes)  
Love feels like loneliness sometimes  
(Sometimes, sometimes)  
(Sometimes, sometimes)  
Love feels like loneliness sometimes
