

# When You're Gone

Lucero

I always needed time on my own  
I never thought I'd need you there when I cry  
And the days feel like years when I'm alone  
And the bed where you lie  
is made up on your side When you walk away  
I count the steps that you take  
Do you see how much I need you right now? When you're gone  
The pieces of my heart are missing you  
When you're gone  
The face I came to know is missing too  
When you're gone  
The words I need to hear to always get me through the day  
And make it OK  
I miss you  
I've never felt this way before  
Everything that I do  
reminds me of you  
And the clothes you left  
are lying on the floor  
And they smell just like you  
I love the things that you do When you walk away  
I count the steps that you take Do you see how much I need you right now? When you're gone  
The pieces of my heart are missing you  
When you're gone  
The face I came to know is missing too  
When you're gone  
The words I need to hear to always get me through the day  
And make it OK  
I miss you  
We were made for each other  
Out here forever  
I know we were  
Yeah All I ever wanted was for you to know  
Everything I do I give my heart and soul  
I can hardly breathe I need to feel you here with me  
Yeah When you're gone  
The pieces of my heart are missing you  
When you're gone  
The face I came to know is missing too  
When you're gone  
The words I need to hear will always get me through the day
