

Phoenix

James Arthur

Let me, let me begin
Let me begin, with an I.O.U
Oh, I owe everything to
Lately, lately my friend
Lately, you think I'm ignoring you
But I've been trying to pull through
All of the pain, I know you're looking down, down on me
I could have been someone
I hurt everyone
Pushed away everyone who got near
Tell me, something that I don't know
I couldn't let you go
Fell on my knees
Turned my face to the rain
That's when you heard my calls
Sold me my sturdy soul
Phoenix is rising, it's rising again
Oo, oo, oo
Woah, oo, oo
Woah, oo, oo
Save me, save me again
Save me the way that you did before
Coz no one ever could have loved me more
Give me, give me the strength
Give me the strength when I need it more
Give me the reason that I'm looking for
I was a pain, they were looking down, down on me
I could have been someone
I hurt everyone
Pushed away everyone that was near
Tell me, something that I don't know
I couldn't let you go
Fell on my knees
Turned my face to the rain
That's when you heard my calls
Sold me my sturdy soul
Phoenix is rising, it's rising again
Oo, oo, oo
Woah, oo, oo
Woah, oo, oo
Rising, woah, oo, oo
It's rising, woah, oo, oo
It's rising, woah, oo, oo
You took the pain
When my world caved down on me
Now I have someone

Coz you came and you showed me the world
Tell me, something that I don't know
I couldn't let you go (I couldn't let)
Fell on my knees (on my knees)
Turned my face to the rain
That's when you heard my calls
Sold me my sturdy soul (sold me my soul)
Phoenix is rising, it's rising again (phoenix is rising)
Tell me, something that I don't know
I couldn't let you go
Fell on my knees
Turned my face to the rain
That's when you heard my calls
Sold me my sturdy soul
Phoenix is rising
