

# Goodbye To a World

Porter Robinson

Thank you, I'll say goodbye soon  
Though its the end of the world, don't blame yourself now  
And if its true, I will surround you and give life to a world  
That's our own Thank you, I'll say goodbye now  
Though its the end of the world, don't blame yourself  
And if its true, I will surround you and give life to a world  
That's our own Thank you, I'll say goodbye soon  
Though its the end of the world, don't blame yourself now  
And if its true, I will surround you and give life to a world  
That's our own Thank you, I'll say goodbye now  
Though its the end of the world, don't blame yourself  
And if its true, I will surround you and give life to a world  
That's our own  
Thank you, I'll say goodbye soon  
Though its the end of the world, don't blame yourself now  
And if its true, I will surround you
